

# Here I Am To Worship Chords and Lyrics

## Verse 1:

E                    B                    F#m7  
Light of the world You stepped down into darkness

E                    B                    A  
Opened my eyes let me see

E                    B                    F#m7  
Beauty that made this heart adore You

E                    B                    A  
Hope of a life spent with You

## Chorus:

Here I am to

E                    B  
worship Here I am to bow down

E                    A  
Here I am to say that You're my God

E                    B  
You're altogether lovely Altogether worthy

E                    A  
Altogether wonderful to me

## Verse 2:

E                    B                    F#m7  
King of all days Oh so highly exalted

E                    B                    A  
Glorious in heaven above

E                    B                    F#m7  
Humbly You came to the earth You created

E                    B                    A  
All for love's sake became poor

## Bridge 1:

I'll

B    E                    A  
never know how much it cost

B    E    A  
To see my sin upon that cross

## Bridge 2:

**E                    B                    C#m                    A**

Call upon the Name of the Lord and be saved

**E                    B                    C#m                    A**

Call upon the Name of the Lord and be saved]
