

# Jesus Paid It All Chords and Lyrics

**D**

I hear the Saviour say

**A D**

Thy strength indeed is small.

**G**

Child of weakness watch and pray

**D A D**

Find in me thine all in all.

Chorus

**D G**

Jesus paid it all.

**D A**

All to Him I owe.

**D G**

Sin had left a crimson stain,

**D A D**

He washed it white as snow.

**D**

Lord now indeed I find

**A D**

Thy power and thine alone

**G**

Can change the lepers spots

**D A D**

And melt the heart of stone

**D**

And when before the throne

**A D**

I stand in him complete

**G**

Jesus died my soul to save

**D A D**

My lips shall still repeat
